Dear Dr Wang

**IN VITRO DIAGNOSTIC MEDICAL DEVICES REGULATIONS 2002: REGULATION 44**  
**Registration of manufacturers of *In-Vitro Diagnostic* Medical Devices**  
**and devices for Performance Evaluation**

Thank you for informing the Competent Authority of the details of **Manufacturers Name:- Zhejiang Quark Biological Technology Co., Ltd.** located at **Manufacturers Address:- No.1 Jiangdong Road, Zhejiang Xinchang High-tech Industrial Park , Shaoxing Xinchang District, Zhejiang China 312500** for whom you are acting as the authorised representative and for supplying the medical device information.

**Your registration has been recorded based on your declaration that you have determined that the device(s) fall within the definition of “in vitro diagnostic medical device”, and that you have classified it/them correctly considering the intended purpose(s) and mode(s) of action. In accepting your registration, I should make clear that the Competent Authority does not examine each individual notification and therefore cannot and does not necessarily endorse these determinations. Neither does this letter represent any form of accreditation or approval by the UK Competent Authority.**

Your registration is based upon the declaration submitted on online via the Devices Online Registration System (DORS) and means that you should now be operating under the In Vitro Diagnostic Medical Devices Directive and the 2002 Regulations for the products you asked us to register, by fully complying with the essential requirements, CE marking those products or labelling them as such.

**If you stop placing devices on the market or if you are not complying with the Regulations you should inform us as required by the Regulations. You should be aware that it is an offence to place on the market CE marked devices that do not comply with the Regulations.**

The information you provided has been recorded against the reference number shown at the top of this letter, which we ask you to quote in all future correspondence and communications.

**Please inform us of any of the following changes;**

- the company information
- additional generic groups of devices or, for Annex II or Self-Test devices, additional devices
- discontinuation of a generic group of devices or, for Annex II or Self-Test devices, discontinuation of devices

You should submit your change of registration via DORS with the required statutory fee, which should be accompanied with the information when it is supplied, (the fee is payable for each record notified, and you may place multiple changes on one record).
